

## March 2018 Newsletter

## Adventures In Learning Preschool, LLC

### Reminders:

**Tuition is due by Monday, March 5<sup>th</sup>**

**Conferences** - We will be doing conferences after spring break this year April 9, 10 and 11. I have put a sheet out for you to sign up for a time to meet.

**Spring Break is the week of April 2<sup>nd</sup> thru 6<sup>th</sup>.** - Since tuition is due while we are on break **please plan on paying tuition before Spring Break starts.** I won't deposit it until the 5<sup>th</sup>.

**Changes to our end of the year program/graduation** - This year we have 19 children graduating (that's a lot)! Carla and I have decided that we are going to do graduation ceremonies on the last day of school for each class. This will be better for everyone! **Also we had to change our End of the Year Program date to Tuesday, June 12<sup>th</sup>** instead of the 11<sup>th</sup>, in order to get the same facility that we used for Christmas.

### Field Trip

We will be taking a field trip to Lacey Fire District 3, Station 33, which is right up the road on Mullen Rd on Friday, March 23<sup>rd</sup>, we haven't set the time yet but I will let you know as soon as we do.

The address to the Fire Station is **6500 Mullen RD SE, Olympia 98503**. Parking is limited so if you are able to carpool please do so, there may be parking up at Timberline in the ball field as well.

We will be working on setting up a time for Officer Bartz from Lacey Police Department, and also a 911 dispatcher to come to the preschool as well, I will let you know when this is set up.

### March Curriculum

This month is full of assessment work in so that we have the most accurate information for conference next month. Your children have been learning about patterns, shapes and rhyming quite a bit the last few weeks, and we will be working more on these ideas, along with other math and literacy concepts. Since our theme this month is Community Helpers all of our curriculum is tied into that. The children will learn about doctors, teachers, construction workers, firemen, and police. The dramatic play areas in the preschool will get another overhaul and will be a lot of fun!
