### Welcome to preschool!

Just a few reminders for parents:

**Preschool Forms** - please be sure to have all of your child's enrollment forms turned into me no later than the first day of school!

**Rubber boots** – typically the first couple of weeks of school are sunny but it looks like we may have a little rain this year, so please bring boots the first day of school. Remember, we go outside even if it's raining so be sure to send waterproof coats to school as well!

**Change of clothes** – These are essential the first week of school. For some children the skill of stopping what they are doing to go potty is not quite there yet, so please bring them on your child's first day.

**Back packs** – I know it may seem silly for every child to bring a backpack to school each day, but we do this because it's part of the routine in getting ready for school, additionally your child will have a folder in their bag that we will be putting notices, art work, or other information in, so please make sure it's a full-size backpack. Checking your child's folder regularly also trains you, the parent, in getting your child ready for school!

**The website will be the go to place for all questions about what's going on in the preschool. I have already put everything on the calendar, uploaded many of the forms that we use, and I'll add newsletters every month. For field trips and adventure days I will put all the information for these on the calendar. If you can't find what you need then call or text me. Please don't use Facebook messenger to contact me, you can text for a more immediate response, or email, you are always welcome to call also. My # is 360-481-9214.**
