

Tuition Options

Dear Parents,

Below you will find the break down of tuition amounts for the year.

You may choose to pay tuition according to the amount listed monthly, which is reduced for the months of September (this amount also reflects them amount you already paid upon enrollment), December, April and June, because we are out of school a week or more during those months. Or you may pay the budget amount listed at the bottom. The budget amount means that you pay the same fee every month September through June, it is not reduced during the months that school is out for extended periods of time. The total amount for the year is the same no matter which option you choose.

We have 3 different payment options available: we use an app called Venmo, which allows you to pay tuition electronically, there is no fee for using this service, just search for Caileen Hill, you'll know it's the right one if it shows the preschool logo. Other payment options are cash, or check/money order (made out to Adventures In Learning). In past years, I have also had parents write out 10 post-dated checks and I keep them in a secure location here and deposit them the month they are for. Whichever option works best for your family is great with me.

Tuition is due on the 5th of each month, if the 5th falls on a weekend tuition is due the Friday prior. There is a \$10 late fee for any payments not received by the end of preschool on the day tuition is due.

If you have any questions do not hesitate to ask!

Thank you!
Caileen
